**WHEREAS**, since 1970, federal law has prohibited the manufacture and possession of marijuana as a Schedule I drug, based on the federal government's categorization of marijuana as having a "high potential for abuse, lack of any accepted medical use, and absence of any accepted safety for use in medically supervised treatment." *Gonzales v. Raich*, 545 U.S. 1, 14 (2005), Controlled Substance Act (CSA), 84 Stat. 1242, 21 U.S.C. 801 et seq; and

**WHEREAS**, on November 6, 2012, Initiative 502 was passed by the voters of the State of Washington, providing a framework under which marijuana producers, processors, and retailers can become licensed by the State of Washington; and

**WHEREAS**, Initiative 502 directs the Washington State Liquor Control Board (WSLCB) to develop rules and regulations to:

1. Determine the number of producers, processors and retailers of marijuana by county;
2. Develop licensing and other regulatory measures;

3. Issue licenses to producers, processors, and retailers at locations which comply with the Initiative's distancing requirements prohibiting such uses within 1,000 feet of schools and other designated public facilities; and
4. Establish a process for the City to comment prior to the issuance of such licenses; and

**WHEREAS**, the WSLCB is expected to adopt new regulations on recreational marijuana on October 16, 2013, and to begin issuance of marijuana producer, processor and retail licenses to qualified applicants in December 2013; and

**WHEREAS**, Section 69.51A.140 RCW delegates authority to cities and towns to adopt and enforce zoning requirements, business licensing requirements, health and safety requirements, and business taxes as exercises of the City's police powers; and

**WHEREAS**, the City Council wishes to clarify that the manufacture, production, processing, retailing, possession, transportation, delivery, dispensing, application, or administration of marijuana must comply with all applicable City laws, and that compliance with City laws does not constitute an exemption from compliance with applicable state and federal regulations; and

**WHEREAS**, the City of Tukwila believes that the health, safety, and welfare of the community is best served by excluding from certain zones any production, processing, selling or delivery of marijuana; and

**WHEREAS**, the City of Tukwila adopted Ordinance No. 2405 imposing a moratorium on recreational marijuana uses while zoning for said uses is established; and

**WHEREAS**, Ordinance No. 2405 requires formal action by the City Council to terminate the moratorium; and

**WHEREAS**, the City Council has studied the land use and other secondary impacts of recreational marijuana use, and has now drafted a zoning ordinance to address these impacts; and

**WHEREAS**, the State Environmental Policy Act (SEPA) Responsible Official issued a threshold decision for this draft ordinance on July 30, 2013, which was not appealed; and

**WHEREAS**, on July 25, 2013, the Planning Commission held a public hearing on the draft zoning ordinance; and

**WHEREAS**, the Planning Commission recommended approval of the draft zoning ordinance to the City Council; and

**WHEREAS**, on August 26, 2013, the City Council held a hearing on the draft zoning ordinance, after proper notice, during its regular meeting; and

**WHEREAS**, the City Council after due consideration believes that certain amendments to the City's zoning code are necessary; and

**WHEREAS**, the City Council decided to adopt a zoning ordinance and to formally repeal the moratorium on recreational marijuana uses (Ordinance No. 2405);

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF TUKWILA, WASHINGTON, HEREBY ORDAINS AS FOLLOWS:**
